DEEPAK MADDHESHIYA

M: +91 90190 42722 | E: maddheshiya.deepak@gmail.com | Bangalore, India | Website

PROFESSIONAL SUMMARY

I have 10 years of experience in software development, with a focus on front-end development. I am skilled in building user-friendly and visually appealing websites and applications using a variety of technologies, including HTML, CSS, JavaScript, and React. I have experience working on both small and large-scale projects, and am comfortable with agile development methodologies. I am also experienced in working with cross-functional teams, and have excellent problem-solving and communication skills.

WORK EXPERIENCE
